Frequently Asked Questions

- + Why are these companies included on the 'Do Test' list?
- + What can be done about animal tests required by law?
- + What types of companies are on the 'Don't Test' list?
- + How does a company get on the list?
- + How do I know that these companies really don't test on animals?
- + What about a product whose label says, 'No Animal Testing,' but whose manufacturing company is not on PETA's 'Don't Test' list?
- + Why do some companies' product labels say, 'No Animal Ingredients,' when, in fact, they contain beeswax, lanolin, whey, etc.?
- + How often are PETA's product lists updated?
- + I can't find a particular company on either the "do test" list or the "don't test" list. What does that mean?
